UCEAP Course Suffix
UCEAP Official Title ECONOMICS OF ASYMMETRIC INFORMATION
UCEAP Transcript Title ECON ASYMMETRC INFO
UCEAP Quarter Units 8.00
UCEAP Semester Units 5.30

Course Description
This is an introductory course to the role of asymmetric information in economic situations at the undergraduate level. Decision makers (for example, buyers and sellers) are typically differentially informed about the quality, quantity or value of the traded goods. This course introduces the well-known stylistic models of informational asymmetries.

Language(s) of Instruction
English
