Course Description
This course provides a survey to the fundamentals and general principles of the law as it interacts with individuals and institutions in society. It provides a deeper understanding of the processes by which laws are made, including both formal and informal, and the influence that laws have on different stakeholders in a society. Lecture and discussion topics include changing laws through the court system; historical Hong Kong laws; crimes, Mens Rea; contracts and undue influence; torts, medical costs for long-term disease; intellectual property; agency and employment; and ethics.
