Course Description

This course focuses on two classics in English literature: OLIVER TWIST by Charles Dickens published in 1838 and JANE EYRE by Charlotte Brontë published in 1847. Both novels focus on the hero and the heroine's struggle in a hostile world. The course is based on close analyses of extracts of both novels and weekly presentations on the context. The last four sessions closely analyze the movie adaptations (OLIVER TWIST (2005) starring Barney Clark and JANE EYRE (1996) starring Charlotte Gainsbourg).
