UCEAP Transcript Title PHILOSPHCL AESTHETC
UCEAP Quarter Units 8.00
UCEAP Semester Units 5.30

Course Description

Problems in philosophical aesthetics, both historical and contemporary, are treated in this course. They may be approached as purely philosophical questions or as questions that arise in the meeting of philosophy with the arts. For example: What is beauty and what is its place among other things in the world? What is art and what is its place among other things and other activities? How is aesthetic quality judged? Texts and focus in the course vary.
