UCEAP Course Suffix
UCEAP Official Title THE DANISH WELFARE MODEL
UCEAP Transcript Title DANISH WELFARE MODL
UCEAP Quarter Units 6.00
UCEAP Semester Units 4.00

Course Description
This course covers the workings of the Danish Welfare model. The students learn about one of the most extensive and generous government models in the westerly part of the welfare states, as well as the economic history behind Danish welfare development and the substantial challenges that lie ahead. Some of these challenges include slow product development, a decreasing workforce due to an aging population, the need for working forces, and the challenges from globalization.

Language(s) of Instruction
English
