2.00

## Course Description

This course provides a basic knowledge of Japanese literature and culture, as well as the history and current state of Sino-Japanese relations. The course helps students develop a relatively objective and dispassionate understanding of Japan based on extensive reading and independent thinking, in addition to the mass media and mainstream Sino-Japanese propaganda, and to enable them to think and write about issues of interest to them under the guidance of the instructor.

### Language(s) of Instruction
