| **UCEAP Semester Units**<br>3.00 |

**Course Description**
This course explores the different ways in which Muslims have interpreted and put into practice the prophetic message of Prophet Muhammad through historical and phenomenological analyses of varying theological, philosophical, legal, political, mystical, and literary writings. These analyses allow course participants to develop a framework for explaining the sources and symbols through which historically specific experiences and understandings have been signified as Islamic. The course focuses in particular on the classical and modern periods of Islamic history.

**Language(s) of Instruction**
Arabic
