UCEAP Course Suffix
UCEAP Official Title CITY BUILDING: TRANSPORT AND INFRASTRUCTURE
UCEAP Transcript Title TRANPORT & INFRASTR
UCEAP Quarter Units 6.00
UCEAP Semester Units 4.00

Course Description

This course examines the centrality of transport infrastructure considerations within strategic and statutory texts. The ongoing pipeline of major transport infrastructure projects in Australian cities offer an excellent lens through which to consider the increasingly integrative role planners play in key city shaping activities which have social, economic and environmental as much as mobility outcomes.

Language(s) of Instruction
English
