COURSE DETAIL

CHEMISTRY FOR TODAY AND TOMORROW: FROM BENCH TO MARKET
Country United Kingdom - England
Host Institution University of London, Queen Mary
Program(s) Summer at Queen Mary
UCEAP Course Level Upper Division
UCEAP Subject Area(s) Chemistry
UCEAP Course Number 123
UCEAP Course Suffix S
UCEAP Official Title CHEMISTRY FOR TODAY AND TOMORROW: FROM BENCH TO MARKET
UCEAP Transcript Title CHEM TODAY&TOMORROW
UCEAP Quarter Units 6.00
UCEAP Semester Units

4.00

Course Description
This course provides a wide-ranging view on what working in the field of chemistry actually looks like today. Students gain a broad understanding of modern chemistry techniques, such as nanomaterials and flow chemistry, and their applications through hands-on experience in the laboratory, group activities, field trips, and discussions with industry experts. The course explores the increasing challenges that face research and industrial chemists, and how these challenges are being addressed as research moves into the future.
