**UCEAP Semester Units**

3.00

### **Course Description**

This translation course is taught at the first-year level. This course focuses translating both the tone and grammar of Francophone and Anglophone literature, and provides abstracts from English and French writers, mostly from the latter half of the twentieth century. The course first practices translating from English to French, and then from French to English. Students can choose to take one or two parts, whether English to French or French to English.
