Course Description

This course deals with some of the most fundamental questions concerning the development of the European Identity: what have been the decisive common experiences that have fostered a sense of European community and identity, and how have they evolved over time? The course provides an overview of the concept of Europe and the development of European identity, highlighting the specific characteristics of European political/social/cultural history, notably in comparison with that of other (non-European) societies, that contributed to a sense of European community and the European identity.
