Course Description

This course is part of the LM degree program and is intended for advanced level students. Enrollment is by consent of the instructor. The course is subdivided into two parts. Part one discusses topics including an introduction to the study of the history and culture of the ancient Mesopotamian civilizations (Sumerians, Akkadians, Babylonians, Assyrians); and introduction to the cuneiform writing; elements of the Sumerian language; a guide to the electronic resources for the study of Sumerian; and reading, translation, and grammatical analysis of elementary Sumerian texts in cuneiform writing. Part two of the course discusses topics including Sumerian royal inscriptions: typology, structure, and contents; and reading, translation and historical-philological comment of Sumerian royal inscriptions in cuneiform writing.
