**UCEAP Transcript Title**
RACE&ETHNICTY IN US

**UCEAP Quarter Units**
8.00

**UCEAP Semester Units**
5.30

**Course Description**

This American Studies course is a critical and intersectional examination of the United States' ever-evolving, if often paradoxical, racial politics. Beginning with the colonization of North America to present day the course interrogates the politics of difference through several key themes including overlapping definitions and representation of ethnicity, race, and racism and its continuous impact on modern American identity, politics, its legal system, society, arts, culture, and economy.

**Language(s) of Instruction**
English
