3.30

Course Description

This course analyzes the rights linked to European citizenship as well as for those residing in the EU territory. It explores case law developed by the Court of Justice of the European Union, as well as the tools available for civil society to participate in the policies and decision-making processes in the EU. It focuses on the means of communication that EU citizens and residents have before the institutions of the European Union for expressing their opinion, practical needs and concerns.
