**Course Description**

This course provides a general overview of secularism in the world. Reading texts, scientific articles, press articles, and historical documents, it reviews case studies with a comparative approach from political science, history, sociology, philosophy, and theology. Topics include the regime of separation of the Churches and the State in France, the secular state, the American civil religion, the Italian concordat, the Danish case, Turkey, the Mexican separation, and the Belgian derogatory regime.
