Course Description

This course is designed for beginners who can read and write Hiragana, Katakana, and some basic Kanji. It is already assumed that students have already learned the basic Japanese vocabulary and grammar for the beginner level. The course aims to allow students to review what they have learned previously and to be able to use their knowledge in communicating in the Japanese language.

By the end of this course, students should be able to express themselves or obtain information from Japanese people on a variety of everyday topics using the vocabulary and grammar of the first half of Elementary Japanese.
