## Course Description

This course is for students who are learning Italian for the first time. It aims to help develop the full range of linguistic skills (speaking, listening, reading and writing) through practice in grammar, reading, and conversational role-playing, as well as through the use of music and other audiovisual materials that will help students gain a better understanding of Italian culture and language.

By the end of the course, the students will be able to:

- 1) Understand and utilize frequently-used everyday expressions as well as simple phrases to meet immediate needs.
- 2) Introduce themselves and others; asking and answering questions about personal details such as where they live, things they have, and people they know.
- 3) Interact in a simple way.
