## Course Description

This course focuses on current Japanese pop culture. You will learn Japanese culture, language and the Japanese way of thinking in the context of movies, manga and music. You will also see Japan from the past, present and future in a way that is both fun and educational.

The aim of this course is twofold. First, students will examine Japanese pop culture in an effort to gain a deeper understanding of “Modern Japan.” Second, Students will learn to better express themselves. International students will improve their Japanese skills, while Japanese students will polish their linguistic skills, allowing them to communicate in Japanese and English effectively.
