Course Description

Students will develop critical reading skills necessary to study at the undergraduate level through reading news articles, official documents, and commentaries on the web.

Eligibility: B2 level in the CEFR/JF Standard for Japanese-Language Education (N1 in the JLPT).

The objectives of this course are as follows:

1. Students will be able to understand the contents of texts on various topics and analyze the characteristics of their writing style.
2. Students will be able to paraphrase the main points of texts on various topics using concise expressions and figures.
3. Students will be able to select source materials by examining the reliability of the information.
