Course Description

This is an advanced intermediate Italian Language course offered by the University Language Center (CLA) for University of Bologna exchange students. The course is at the Common European Framework of Reference for Languages (CEFR) B2 level. Enrolment in this course is based on an entrance exam. Students enrolled in this course have generally successfully completed ITAL 132 as part of the UCEAP Intensive Language Program (ILP). At the end of the course students can understand the main ideas of complex text on both concrete and abstract topics, including technical discussions in their field of specialization. They can interact with a degree of fluency and spontaneity that makes regular interaction with native speakers quite possible without strain for either party. They can produce clear, detailed text on a wide range of subjects and explain a viewpoint on a topical issue giving the advantages and disadvantages of various options. The course covers the following grammatical points: use of verbs in the past - all tenses; the conditional and past conditional; the present subjunctive vs. the imperfect; the subjunctive: all form of the past; concordance of subjunctive verbs; the passive voice; relative pronouns; and presenting the future in the past. This course is available to UCEAP students in the spring semester only. The course is graded pass/no pass only.
