Course Description

The course provides students interested in the field of foreign language teaching various resources to make English-language instruction for young learners (students aged 3-12) more dynamic while remaining adapted to 21st century competencies. Topics covered include: historical overview of teaching methods and approaches; teaching integrating skills; the role of culture in foreign language classrooms; folklore and children's literature as learning resources; challenges in teaching digital natives; drama techniques as a resource for learning English; ICT resources for teachers.
