English

UCEAP Course Number
110

UCEAP Course Suffix

UCEAP Official Title
INVESTIGATING THE STRUCTURE OF ENGLISH THEN AND NOW: FROM 'ELNE MYCLE' TO 'WITH GREAT ZEAL'

UCEAP Transcript Title
STRUC/ENGL THEN&NOW

UCEAP Quarter Units
6.00

UCEAP Semester Units
4.00

Course Description

This course examines morphology and syntax in English texts from two time periods. While inflections played an important role in Old English grammar, present-day English relies primarily on structures where word order and function words are of central importance. Students thus investigate morphological and syntactic aspects of Old and present-day English texts. Through independent research projects, students also learn how to apply methods of morphosyntactic analysis to authentic texts in order to describe the structure of English.

Language(s) of Instruction
English
