UCEAP Transcript Title BUSINESS FOR BIOSCI
UCEAP Quarter Units 6.00
UCEAP Semester Units 4.00

Course Description

The course sits at the interface between bioscience and business, covering the elements of management science that are most relevant to bioscience. Bioscience often has a long, complex route from innovation to implementation. Hence the content includes integration with practice, bioscience firms, medical behaviors, as well as the pillars of intellectual property, regulation and investment choices. How to gain stakeholder support is also included.
