Course Description

This course is offered by the Faculty of Economics and is designed to help students improve their oral, presentational and academic writing skills in English. The topics to be considered in class will vary slightly depending on the students' interests and academic orientation. The actual work will consist of student presentations; reading and analyzing student essays and short academic papers, and class discussions. Specific advice will be given to each participant on how to approximate their writing and oral presentation to more natural patterns of speech.
