GRAPHIC PRACTICE

**UCEAP Quarter Units**

5.00

**UCEAP Semester Units**

3.30

### **Course Description**

This course allows the development of a personal graphic practice. Students choose tools and gestures among those offered in their training and learn to situate their practice in the field of creation. The course provides an opportunity to consider the openness, deepening, and methods of presentation (material support, framing, hanging, installation, public perception of the work) of the student's personal practice.
