UCEAP Course Number 108
UCEAP Course Suffix
UCEAP Official Title GREENING CITIES
UCEAP Transcript Title GREENING CITIES
UCEAP Quarter Units 6.00
UCEAP Semester Units 4.00

Course Description

This course explores the challenges we face and identifies collaborative processes for nature-based solutions in urban planning, design, implementation, adaptation, and care. Through a range of creative processes, with reference to exemplar projects and contributions from industry experts and academics, students learn the principles and application of an urban green infrastructure approach for resilience, health and wellbeing, and social and environmental justice.
