Course Description

This basic Japanese course is designed to improve speaking skills. A different theme concerning Japanese culture and society is chosen for each course and students are split into groups to engage in activities, discussion, and group work concerning the selected topic. The overall goal of the class is for students to widen their perspectives and deepen their knowledge regarding various issues related to Japan and Japanese society. Meeting three times a week, the program offers various theme courses and students may take multiple sections. Assessment: attendance, participation, quizzes, and a final exam.
