UCEAP Semester Units

2.00

Course Description

"Global Writing" are influential texts that are read by people around the world, bridging different cultures and languages. The older term "World Literature" includes some of the writers that the course will cover, but "Global Writing" is a broader concept. This course examines the key role of writers, translators, editors, and readers, looking at many key issues involving language and cultural identity. It also critically examines the selection process for the Nobel Prize in Literature.
