Course Description

This course for foreign students is designed to improve students' language skills and vocabulary. Areas of focus include grammar, conversation, writing exercises, and listening and reading exercises. In addition, excursions are planned to introduce students to German culture. Students work with cultural and historical topics in everyday situations and broaden their intercultural knowledge. They are introduced to independent learning methods and familiarize themselves with typical learning situations at German universities. In this class at the A2/B1 level according to CEFR, students review and learn basic grammar points and are systematically introduced to basic vocabulary, and they also consolidate and systematically build further basic grammar points and vocabulary. All four skills are developed and applied to everyday situations and some study-related situations.
