Course Description

This course takes students with zero knowledge of Xhosa to a good, basic competency in the language. The course actively engages students in acquiring the language through a series of well-developed modules with an integrated approach to acquiring speaking, writing, and comprehension skills in Xhosa. Grammar is taught in context and students are expected to apply their grammatical knowledge in task-based communication situations. Students are taught about different varieties of Xhosa and how to use these appropriately in social contexts. Tests, assignments, and portfolio activities counts 35%; orals count 15%; one two-hour examination counts 50% of the final mark.
