6.00

**UCEAP Semester Units**

4.00

### **Course Description**

This is an independent research course in the field of psychology, with research arranged between the student and faculty member. The specific research topics vary each term and are described on a special project form for each student. A substantial paper is required. The number of units varies with the student's project, contact hours, and method of assessment, as defined on the student's special study project form.
