### **Course Description**

Target Students: Those who have partially completed elementary level studies.

Course Goals: To master the grammatical expressions learnt at the elementary level, as well as to develop understanding and command of upper elementary and intermediate level grammar and to improve the four skills of reading, listening, speaking and writing. To master the 2,000 basic words and 500 basic Chinese characters.

Contents: Mastering the elementary level grammar and developing understanding and command of grammar using an upper elementary level textbook, followed by introduction of basic sentence patterns of the intermediate level using an intermediate level textbook. Improving the four skills of listening, speaking, reading and writing through various class activities designed for developing each skill. Mastering the 2,000 basic words and 500 basic Chinese characters.
