CANONS OF PORT LIT

**UCEAP Quarter Units**

6.00

**UCEAP Semester Units**

4.00

## Course Description

Reading and analysis of key literary texts written in Portuguese. The course begins with an examination of literary canon and the classics and the birth of Portuguese literature through the 15th century, including poetry, prose, and dramatic texts. It then looks at the origins of contemporaneity, the literature that came out of the Renaissance (tragedy, lyrical poetry, comedy, the epic), and the works of Camões.
