UCEAP Transcript Title RELIGIOUS MOVEMENTS
UCEAP Quarter Units 4.00
UCEAP Semester Units 2.70

Course Description

The course examines how different religions adapt to a world of consumer capitalism, mass migrations and new technologies. Religious participation has gained new speed in recent years, but not in ways we associate with traditional institutions like temples, pilgrimages and rituals. In today's world, religions spread through transnational migration, social media and consumer practices. Focusing on ethnographies conducted mainly (but not exclusively) in Asia, the course explores how these emerging practices shape contemporary religion.
