UCEAP Transcript Title ENVIRONMENTAL SOC
UCEAP Quarter Units 6.00
UCEAP Semester Units 4.00

Course Description
This course provides insight into the complex social processes that define, create, and even threaten our natural environment. This course gives students tools with which to think sociologically about environmental issues, such as understanding how environmental issues come to be seen as environmental problems, and how political, cultural, and economic factors have come to shape our interaction with the natural environment.
