UCEAP Transcript Title HOLOCAUST
UCEAP Quarter Units 6.00
UCEAP Semester Units 4.00

Course Description

This course examines the history of the Holocaust and the literary, theological and cultural responses to the destruction of European Jewry. It looks at how it was possible for the Nazis to come to power, what the first policies of persecuting Jews in Germany were, and how those policies escalated to expulsion, ghettoization, and mass murder across Europe. It also discusses contemporary cultural representations and the often-intricate politics of Holocaust memory.

Language(s) of Instruction
English
