### **Course Description**

This course is designed to teach students to communicate effectively in Jordanian dialect. It introduces words, expressions, and structures used frequently in everyday life, as well as the Jordanian culture and how to successfully interact with locals. The course practices differentiating the fundamental grammatical structure of colloquial Arabic from that of Modern Standard Arabic; developing conversations with native speakers on any topic including all aspects of daily life in the local dialect; differentiating the different accents of Jordanian colloquial dialect; and making appropriate cultural inferences.
