Course Description

This course focuses on enhancing advanced Korean language skills through newspaper and magazine articles, and texts on the society, culture, and history of Korea. During the first half of the course, it covers topics related to Korean orthography and grammar. In the second half of the course, focus is on academic writing in Korean. Students practice analyzing, summarizing, and orally presenting their responses to a variety of Korean texts including newspaper articles, and practice writing diverse texts related to college life such as study/research plans, self-introductions, and academic papers.
