4.00

UCEAP Semester Units
2.70

Course Description

Recognizing that forced migration represents one of the key societal challenges of our times, with an average of one person being displaced every two seconds, this course uses a multidisciplinary approach to provide a theoretical, practical, and experiential understanding of the different causes and impacts of forced migration globally and a comprehensive and up-to-date analysis of historical and contemporary issues in the field.

Language(s) of Instruction
English
