4.50

UCEAP Semester Units

3.00

Course Description

This course examines East Asia cinemas in the framework of transnationality. It focuses on inter/intra-cultural junctures, stylistics, thematics, and socio-political and historical contexts of cinemas of South & North Korea, China, Hong Kong, and Japan. It also discusses the issues of gender, ethnic, and national identity that are raised and contested in these cinemas, questioning the notions of national cinema and nation-bound culture.

Language(s) of Instruction

English
