Course Description

In this Italian language CEFR A1 level course, students learn to understand and use familiar everyday expressions and very basic phrases aimed at the satisfaction of needs of a concrete type. Students learn how to introduce themselves and others, and to ask and answer questions about personal details such as where they live, people they know, and things they have. The course will review communicative functions including: introducing oneself and saying and asking for personal information; greeting and answering greetings; saying thanks and replying; apologizing and replying to apologies; looking for, asking, and giving information in daily university student life; expressing one's tastes, needs (physical and non), and interests; asking and saying the time; asking and saying the date; giving and understanding simple instructions; identifying and briefly describing people, objects, and places; asking and understanding information about the Italian language (What's the Italian for "x," How do you spell "x," What does "x" mean?); and being formal and informal. Topics and vocabular include introducing people, relatives, and friends; description of places and people; study and work; shopping; and food.
