## Course Description

This course is for international students receiving undergraduate education in Fudan University. This course is designed to help international students in China better understand all aspects of China by introducing the current situation and history. Through various classroom activities, students are encouraged to collect, read and sort out materials in Chinese, so as to improve their ability to summarize, understand, discuss and reflect in Chinese, and train their academic application of Chinese. Through the combination of theory and practice, students are encouraged to understand China and the Chinese people on the basis of understanding, and to have dialogues with China and the Chinese people, so as to cultivate a broad perspective, an open, inclusive mentality and a global perspective.
