Course Description

This course provides some intellectual pathways from GY100. Human Geography is a broad subject and there may be changes in the particular topics from year to year. Topics to be discussed include Imperialism, East and West; contemporary geopolitics; concepts of “home” and Patriarchy; material aspects of globalization such as containerization and shipping; non-economic aspects of agglomeration in cities; biopolitics and the geography of disease and viruses; the geography of affect or feelings; soundscapes and music.
