Course Description

This course will extend each student's knowledge and understanding of the educational possibilities of top-roped rock climbing in New Zealand. Through the course students will critically analyze the literature relevant to top-roped rock climbing and use this analysis to plan, implement and evaluate a rock climbing experience which incorporates contemporary approaches to outdoor education and is supported by the New Zealand Curriculum. The technical and legal aspects of safety and risk are explored and students develop skills in establishing educational and safe rock climbing experiences. Through field trips to climbing areas in the Port Hills/ Nga Kohatu Whakarekareka o Tamatea Pokai Whenua, students learn about the importance of place to climbers and the significance to Tangata Whenua.
