UCEAP Transcript Title ARTISTS/MUSEUMS
UCEAP Quarter Units 8.00
UCEAP Semester Units 5.30

Course Description

Students examine how artists have explored the way in which contemporary galleries and museums function. Since the 1960s artists have adopted the museum as both subject and medium in their artworks. The course examines how such projects impact on our idea of what galleries and museums are, how they operate, and what role they have in public life today. Throughout, key ideas regarding aesthetics, politics, memory, and audience participation are approached by way of specific artworks and exhibitions.

Language(s) of Instruction
