Course Description

This course corresponds to the advanced level C1 according to the Common European Framework of Reference for Languages. At this level, students can understand large texts with a certain difficulty level and recognize implicit meanings in them, speak with fluidity and spontaneity without showing evident signs of effort, flexibly and effectively use the target language for social, academic, and professional purposes, write long texts that are clear, well structured, and detailed about topics of certain complexity, showing organization, articulation and textual cohesion. The course addresses relevant aspects about the culture of Chilean interaction that benefit communicative skills and language acquisition in immersive conditions.
