Course Description

This is an Italian language course at the Common European Framework (CEFR) level of A2. Students learn to communicate simple and routine activities and describe simple aspects of their experiences and their environment. This course includes topics such as how to communicate in simple activities and in routine situations, such as exchanging information about familiar and common topics; how to describe people, places, aspects of students' lives and the surrounding environment in simple words; and how to express main needs. The course reviews how to communicative functions and tasks; understand and make simple predictions and programs; understand orders and prohibitions; order or forbid someone to do something in more or less polite ways; understand, seek, and ask for information, clarifications, and explanations of study topics; write (in the form of short notes) information; give and understand simple instructions; describe the space or position an element in the space; briefly explain study topics and answer simple questions; express in words certainty or uncertainty about something (certainly, perhaps, I don't know if...); formulate simple hypotheses (if it rains I won't go out); express moods, feelings, and emotions; express the desire to do something, or disgust; talk about two or more events that happen at the same time; ask or tell about past events; and reporting the words of another person (direct speech). Students must have attained the equivalent of the A1 level as a prerequisite. The course is graded pass/no pass only.
