UCEAP Quarter Units 5.50
UCEAP Semester Units

3.70

Course Description

In this course, students practice writing simple texts and train grammar topics that are important for both casual and formal writing. The focus is on writing occasions from everyday private and student life (e.g. creative writing, notes, emails). Students also prepare a short essay at the end of the course. The grammar topics that are covered are based on the students' texts. Students' willingness to write short texts on a regular basis is therefore important.

Language(s) of Instruction
German
