UCEAP Course Number 149
UCEAP Course Suffix
UCEAP Official Title PROFESSIONAL ISSUES
UCEAP Transcript Title PROFESSIONAL ISSUES
UCEAP Quarter Units 4.00
UCEAP Semester Units 2.70

Course Description

In this course, students study key aspects of the wider context in which their practice as Informatics professionals will occur. Students develop individual capabilities that complement the technical capacities developed elsewhere in Informatics programs. These include communication, reflection, reasoning, and analysis skills that consider the broader ethical and social implications of their work. The course is structured around professional and ethical behavior, and the wider context in which technologies are developed and deployed.

Language(s) of Instruction
