Course Description

This tutorial course is directed towards those who are enrolled in the Pre-Advanced Chinese, Advanced Low Chinese and Advanced Mid Chinese course levels of the General Chinese Language Course. It aims to help students learn commonly-used new vocabulary and grammar that are not often used in daily conversations. Students will be able to use appropriate Chinese language to carry on discussions and understand commonly-used writings and articles. By the end of this course, students are expected to be capable of giving an oral presentation and writing a short essay on common societal topics, such as climate, history, culture, politics and economics, sports and entertainments, tourism, etc. Students are expected to be capable of understanding and writing articles, advertisements and leaflets.
